

## Supporting Questions and CPD Code

These questions are designed to be considered alongside the webinar.

1. Was causation in *Hussain v Bradford Hospital NHS Trust* approached on a conventional basis?
2. What is the difference between CESI and CESR and how is this relevant to causation in cases of cauda equina syndrome?
3. Was material contribution to damage the basis of ascertaining causation in *Bailey v MoD*?
4. Was *Leigh v London Ambulance* considered by the court to be a case of cumulative causes?
5. Did the court follow the approach taken in *Keefe v Isle of Man Steam Packet* in *Shawe-Lincoln v Neelakandan*?
